Gastrointestinal Emergencies Sep 24 2022 This book answers key questions asked by emergency clinicians faced with complex gastrointestinal and abdominal pain presentations. Instead of a traditional format that includes epidemiology, pathophysiology, diagnosis, and treatment options, this book takes an approach that mirrors the way clinicians interact with patients – by asking and answering specific clinical care questions. The book is organized into sections by presentation – gastrointestinal bleeding, for example – each of which contains chapters on specific questions, such as “What is the best clinical risk score for low risk GIB patients?” Each clinical question comes with a detailed, evidence-based response and a summary that gives best practices, recommendations, and

references. Additionally, at the end of each section is a chapter titled “Expert Corner,” which asks the same clinical questions to a surgical or gastrointestinal specialist and includes key pearls these experts have for emergency medicine practitioners. *Gastrointestinal Emergencies: Evidence-Based Answers to Key Clinical Questions* is an essential guide for emergency medicine physicians, residents, and medical students who want to review and improve their care of acute gastrointestinal emergencies.

An Answer Key to A Primer of Ecclesiastical Latin May 08 2021

This long-awaited volume provides an answer key to the drills and exercises contained in each of the units of John F. Collins's bestselling *A Primer of Ecclesiastical Latin*. Written for those charged with the responsibility of teaching the Latin of the church, the primer aims to give the student--within one year of study--the ability to read ecclesiastical Latin. Thirty-five instructional units provide the grammar and vocabulary, and supplemental readings offer a survey of church Latin from the fourth century to the Middle Ages. Included is the Latin of Jerome's Bible, of canon law, of the liturgy and papal bulls, of scholastic philosophers, and of the Ambrosian hymns. ABOUT THE AUTHOR: John R. Dunlap is a senior lecturer in classics at Santa Clara University, where he has taught Latin, Greek, and classical literature for more than 30 years.
