Techniques of Special Effects of Cinematography Feb 12 2021 First published in 1985. Exactly 20 years have passed since the first edition of this text appeared, in 1965. During this period, the author has gathered feedback from professional film-making circles. This fourth revision introduces new information in nearly all chapters. 130 new illustrations have been added, many of them illustrating feature films which are currently in release. The bibliography has also been enlarged

considerably. The contributions of the visual-effects cinematographer have always been valued highly within the theatrical motion-picture industry. Because of their work, film producers have been able to endow their pictures with considerable 'production value' which the budget could not otherwise sustain.

**Idioms** Mar 16 2021 This comprehensive, up-to-date, and accessible text on idiom use, learning, and teaching approaches the topic with a balance of sound theory and extensive research in cognitive linguistics, psycholinguistics, corpus linguistics, and sociolinguistics combined with informed teaching practices. *Idioms* is organized into three parts: Part I includes discussion of idiom definition, classification, usage patterns, and functions. Part II investigates the process involved in the comprehension of idioms and the factors that influence individuals' understanding and use of idioms in both L1 and L2. Part III explores idiom acquisition and the teaching and learning of idioms, focusing especially on the strategies and techniques used to help students learn idioms. To assist the reader in grasping the key issues, study questions are provided at the end of each chapter. The text also includes a glossary of special terms and an annotated list of selective idiom reference books and student textbooks. *Idioms* is designed to serve either as a textbook for ESL/applied linguistics teacher education courses or as a reference book. No matter how the book is used, it will equip ESL/applied linguistics students and

professionals with a solid understanding of various issues related to idioms and the learning of them.
