When Divorce Is Right Jan 26 2022 My purpose in writing this book is to lay hold of Gods heart in every chapter, offering hope no matter how deep the pit. Corrie Ten Boom, a beautiful believer who endured the savagery of a Nazi concentration camp, put it this way: There is no pit so deep that Gods love is not deeper still. So writes Dr. Bruce Sofia in his newest book, *When Divorce is Right*, as he shares Gods heart on this heartbreaking, and often misunderstood, controversial topic. For nearly 40 years Bruce Sofia has helped struggling couples find hope through broken dreams and crumbling marriages. With grace and grit, Dr. Sofia tackles such pivotal topics as biblical reasons for divorce, dating while in the midst of a divorce, responding to infidelity, the actual biblical command to divorce, and divorce in the ministry. Cutting through common controversies with uncommon sense, clarity, and a realistic exposition of the Scriptures, Dr. Sofia opens wide the very vulnerable heart of God, and leaves no doubt as to when divorce is right.

Home Will Never Be the Same Again Jul 08 2020 Adult children are often overlooked and forgotten when their parents divorce later in life, but in these pages they will find comfort and understanding for the many feelings, frustrations, and challenges they face. For more than two decades, a silent revolution has been occurring and creating a seismic shift in the American family and families in other countries. It has been unfolding without much comment, and its effects are being felt across three to four generations: more couples are divorcing later in life. Called the “gray divorce revolution,” the cultural phenomenon describes couples who divorce after the age of 50. Overlooked in the issues that affect couples divorcing later in life are the adult children of divorcing parents. Their voices open this book, and they are the voices of men and women, 18 to 50 years old. Some of them are single; some are married. Some have children of their own. All of them are in different stages of shock, fear, and sudden, dramatic change. In *Home Will Never Be the Same: A Guide for Adult Children of Gray Divorce*, Carol Hughes and Bruce Fredenburg share their deep understanding gained during the innumerable hours they have spent with these women and men in their clinical practices. The result is a valuable resource for these too often forgotten adult children, many of whom find that, whenever they express their feelings and experiences, the most important people in their lives frequently ignore and dismiss them. As the divorce rate for older adults soars, so too does the number of adult children who are experiencing parental divorce. Yet, these adult children frequently say that they are the only ones who are aware of what they are going through, no one understands what they are experiencing, and they feel painfully alone.

The First Love Story Jan 14 2021 An exploration of the way Adam and Eve introduced the idea of love into the world, and how they continue to shape our deepest feelings about relationships, family, and togetherness. Since antiquity, Adam and Eve have stood at the center of every conversation about men and women. Yet instead of celebrating them, history has blamed them for bringing sin, deceit, and death into the world. In this fresh retelling of their story, Bruce Feiler travels from the Garden of Eden in Iraq to the Sistine Chapel in Rome, discovering how Adam and Eve should be hailed as exemplars of a long-term, healthy, resilient relationship. At a time of discord and fear over the strength of our social fabric, Feiler shows how history's first couple can again be role models for unity, forgiveness, and love.

The Perfect Couple Aug 28 2019 From New York Times bestselling author Elin Hilderbrand, comes a novel about the many ways family can fill our lives with love...if they don't kill us first. *New York Times bestseller* It's Nantucket wedding season, also known as summer-the sight of a bride racing down Main Street is as common as the sun setting at Madaket Beach. The Otis-Winbury wedding promises to be an event to remember: the groom's wealthy parents have spared no expense to host a lavish ceremony at their oceanfront estate. But it's going to be memorable for all the wrong reasons after tragedy strikes: a body is discovered in Nantucket Harbor just hours before the ceremony-and everyone in the wedding party is suddenly a suspect. As Chief of Police Ed Kapenash interviews the bride, the groom, the groom's famous mystery-novelist mother, and even a member of his own family, he discovers that every wedding is a minefield-and no couple is perfect. Featuring beloved characters from *The Castaways*, *Beautiful Day*, and *A Summer Affair*, *The Perfect Couple* proves once again that Elin Hilderbrand is the queen of the summer beach read.

The Wake of Forgiveness Jan 02 2020 “A mesmerizing, mythic saga” of a Texas family damaged by a dark past, and a son driven by a need for redemption (*The New York Times Book Review*). On a moonless Texas night in 1895, an ambitious young landowner suffers the loss of his wife—“the only woman he’s ever been fond of”—when she dies giving birth to their fourth son, Karel. The boy is forever haunted by thoughts of the mother he never knew and the bloodshot blame in his father’s eyes, and is permanently marked by the yoke he and his brothers are forced to wear to plow the family fields. But from an early age, Karel proves remarkably talented on horseback, and his father enlists him to ride in horseraces against his neighbors, with acreage as the prize. Now, Karel prepares for a high-stakes race against a powerful Spanish patriarch and his alluring daughters—and hanging in the balance are his father’s fortune, his brothers’ futures, and his own fate—in this “powerful story of familial love, anguish, and hatred” (*The Dallas Morning News*). “[A] luminous and wrenching tale of four motherless brothers.” —*Entertainment Weekly* “This intense, fast-paced debut novel is hard to put down. Machart’s hard-hitting style is sure to capture fans of Cormac McCarthy and Jim Harrison.” —*Library Journal*, starred review “A gripping American drama.” —Tim O’Brien, author of *The Things They Carried*

Life Is in the Transitions May 18 2021 A New York Times bestseller! A pioneering and timely study of how to navigate life's biggest transitions with meaning, purpose, and skill Bruce Feiler, author of the New York Times bestsellers *The Secrets of Happy Families* and *Council of Dads*, has long explored the stories that give our lives meaning. Galvanized by a personal crisis, he spent the last few years crisscrossing the country, collecting hundreds of life stories in all fifty states from Americans who'd been through major life changes—from losing jobs to losing loved ones; from changing careers to changing relationships; from getting sober to getting healthy to simply looking for a fresh start. He then spent a year coding these stories, identifying patterns and takeaways that can help all of us survive and thrive in times of change. What Feiler discovered was a world in which transitions are becoming more plentiful and mastering the skills to manage them is more urgent for all of us. The idea that we'll have one job, one relationship, one source of happiness is hopelessly outdated. We all feel unnerved by this upheaval. We're concerned that our lives are not what we expected, that we've veered off course, living life out of order. But we're not alone. *Life Is in the Transitions* introduces the fresh, illuminating vision of the nonlinear life, in which each of us faces dozens of disruptors. One in ten of those becomes what Feiler calls a lifequake, a massive change that leads to a life transition. The average length of these transitions is five years. The upshot: We all spend half our lives in this unsettled state. You or someone you know is going through one now. The most exciting thing Feiler identified is a powerful new tool kit for navigating these pivotal times. Drawing on his extraordinary trove of insights, he lays out specific strategies each of us can use to reimagine and rebuild our lives, often stronger than before. From a master storyteller with an essential message, *Life Is in the Transitions* can move readers of any age to think deeply about times of change and how to transform them into periods of creativity and growth.

The Gifted School Jun 06 2020 INSTANT NATIONAL BESTSELLER "Wise and addictive... The Gifted School is the juiciest novel I've read in ages... a suspenseful, laugh-out-loud page-turner and an incisive inspection of privilege, race and class." —J. Courtney Sullivan, author of *Friends and Strangers*, in *The New York Times* Smart and juicy, a compulsively readable novel about a previously happy group of friends and parents that is nearly destroyed by their own competitiveness when an exclusive school for gifted children opens in the community, from the author of *The Displacements* This deliciously sharp novel captures the relentless ambitions and fears that animate parents and their children in modern America, exploring the conflicts between achievement and potential, talent and privilege. Set in the fictional town of Crystal, Colorado, *The Gifted School* is a keenly entertaining novel that observes the drama within a community of friends and parents as good intentions and high ambitions collide in a pile-up with long-held secrets and lies. Seen through the lens of four families who've been a part of one another's lives since their kids were born over a decade ago, the story reveals not only the lengths that some adults are willing to go to get ahead, but the effect on the group's children, sibling relationships, marriages, and careers, as simmering resentments come to a boil and long-buried, explosive secrets surface and detonate. It's a humorous, keenly observed, timely take on ambitious parents, willful kids, and the pursuit of prestige, no matter the cost.

For decades, Demi Moore has been synonymous with celebrity. From iconic film roles to high-profile relationships, Moore has never been far from the spotlight—or the headlines. Even as Demi was becoming the highest paid actress in Hollywood, however, she was always outrunning her past, just one step ahead of the doubts and insecurities that defined her

childhood. Throughout her rise to fame and during some of the most pivotal moments of her life, Demi battled addiction, body image issues, and childhood trauma that would follow her for years—all while juggling a skyrocketing career and at times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good mother, a good actress—and, always, if she was simply good enough. As much as her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartedness. *Inside Out* is a story of survival, success, and surrender—a wrenchingly honest portrayal of one woman's at once ordinary and iconic life.

Hello Sweet Baby Feb 12 2021 The following morning I woke up feeling terribly blue. I was afraid that Ben would never phone me. "I'll phone you some time"--a guy can easily say that to a girl, even if he has no interest in her and never plans to see her again. I stayed in bed until my mother left for work. I didn't feel like talking to anyone. Then I washed and had a small breakfast. I thought about phoning Joyce, but I couldn't think of what to say to her either. I felt so downhearted. All I could think about was Ben. What did I do to make him never want to see me again?

Weed the People Dec 01 2019 There is no other organization whose inner workings are more secretive than the Vatican - the spiritual and physical center - of the Catholic Church. Now, with a dynamic new leader in Pope Francis, all eyes are upon the church, as this immensely popular Pope seeks to bring the church back from the right to center, in what can almost be described as a populist stance, blurring the lines between politics, religion and culture. With topics including women, finance, scandal, and reform at the fore, never before have so many eyes been upon the church in what could be its defining moment for modern times. Now the most respected journalist covering the Vatican and the Catholic Church today, John L. Allen, reveals the inner workings of the Vatican to display the vast machinery, and the man at the helm in a way that no other writer can. The Boston Globe has stated that John L. Allen 'is basically the reporter that bishops and cardinals call to find out what's going on within the confines of the Vatican.'
