"Repent, Harlequin!" Said the Ticktockman Nov 09 2020 Winner of the Hugo and Nebula Awards: A science fiction classic about an antiestablishment rebel set on overthrowing the totalitarian society of the future. One of science fiction's most antiestablishment authors rails against the accepted order while questioning blind obedience to the state in this unique pairing of short story and essay. "'Repent, Harlequin!' Said the Ticktockman" is set in a dystopian future society in which time is regulated by a heavy bureaucratic hand known as the Ticktockman. The rebellious Everett C. Marm flouts convention, masquerading as the anarchic Harlequin, disrupting the precise schedule with bullhorns and jellybeans in a world where being late is nothing short of a crime. But when his love, Pretty Alice, betrays Everett out of a desire to return to the punctuality to which she is programmed, he is forced to face the Ticktockman and his gauntlet of consequences. The bonus essay included in this volume, "Stealing Tomorrow," is a hard-to-find Harlan Ellison masterwork, an exploration of the rebellious nature of the writer's soul. Waxing poetic on humankind's intellectual capabilities versus its emotional shortcomings, the author depicts an inner self that guides his words against the

established bureaucracies, assuring us that the intent of his soul is to “come lumbering into town on a pink-and-yellow elephant, fast as Pegasus, and throw down on the established order.” Winner of the Prometheus Hall of Fame Award, “‘Repent, Harlequin!’ Said the Ticktockman” has become one of the most reprinted short stories in the English language. Fans of George Orwell’s Nineteen Eighty-Four and Aldous Huxley’s Brave New World will delight in this antiestablishment vision of a Big Brother society and the rebel determined to take it down. The perfect complement, “Stealing Tomorrow” is a hidden gem that reinforces Ellison’s belief in humankind’s inner nobility and the necessity to buck totalitarian forces that hamper our steady evolution.

1356 Mar 14 2021 Bernard Cornwell, the "master of martial fiction" (Booklist), brings Thomas of Hookton from the popular Grail Quest series into a new adventure in 1356, a thrilling stand-alone novel. On September 19, 1356, a heavily outnumbered English army faced off against the French in the historic Battle of Poitiers. In 1356, Cornwell resurrects this dramatic and bloody struggle—one that would turn out to be the most decisive and improbable victory of the Hundred Years’ War, a clash where the underdog English not only captured the strategic site of Poitiers, but the French King John II as well. In the vein of Cornwell’s bestselling Agincourt, 1356 is an action-packed story of danger and conquest, rich with military strategy and remarkable characters—both villainous and heroic—transporting readers to the front lines of war while painting a vivid picture of courage, treachery, and combat.

What the Hell Did I Just Read Oct 09 2020 It’s the story "They" don’t want you to read. Though, to be fair, "They" are probably right about this one. To quote the Bible, "Learning the truth can be like loosening a necktie, only to realize it was the only thing keeping your head attached." No, don’t put the book back on the shelf -- it is now your duty to purchase it to prevent others from reading it. Yes, it works with e-books, too, I don’t have time to explain how. While investigating a fairly straightforward case of a shape-shifting interdimensional child predator, Dave, John and Amy realized there might actually be something weird going on. Together, they navigate a diabolically convoluted maze of illusions, lies, and their own incompetence in an attempt to uncover a terrible truth they -- like you -- would be better off not knowing. Your first impulse will be to think that a story this gruesome -- and, to be frank, stupid -- cannot possibly be true. That is precisely the reaction "They" are hoping for. John Dies at the End’s "smart take on fear manages to tap into readers’ existential dread on one page, then have them laughing the next" (Publishers Weekly) and This Book is Full of Spiders was "unlike any other book of the genre" (Washington Post). Now, New York Times bestselling author David Wong is back with What the Hell Did I Just Read, the third installment of this black-humored thriller series.

John Dies at the End Oct 28 2019 "[Jason Pargin] has updated the Lovecraft tradition and infused it with humor that rather than lessening the horror, increases it dramatically. Every time I set the book down down, I was wary that something really was afoot, that

there were creatures I couldn't see, and that because I suspected this, I was next. Engaging, comic, and terrifying." —Joe Garden, Features Editor, The Onion "[Pargin] is like a mash-up of Douglass Adams and Stephen King... 'page-turner' is an understatement." —Don Coscarelli, director, Phantasm I-V, Bubba Ho-tep "That rarest of things--a genuinely scary story." —David Wellington, author of Monster Island, Vampire Zero "JOHN DIES AT THE END has a cult following for a reason: it's horrific, thought-provoking, and hilarious all at once. This is one of the most entertaining and addictive novels I've ever read." —Jacob Kier, Publisher, Permuted Press STOP. You should not have touched this flyer with your bare hands. NO, don't put it down. It's too late. They're watching you. My name is David. My best friend is John. Those names are fake. You might want to change yours. You may not want to know about the things you'll read on these pages, about the sauce, about Korrok, about the invasion, and the future. But it's too late. You touched the book. You're in the game. You're under the eye. The only defense is knowledge. You need to read this book, to the end. Even the part with the bratwurst. Why? You just have to trust me. The important thing is this: The sauce is a drug, and it gives users a window into another dimension. John and I never had the chance to say no. You still do. I'm sorry to have involved you in this, I really am. But as you read about these terrible events and the very dark epoch the world is about to enter as a result, it is crucial you keep one thing in mind: None of this was my fault.
