[The Christian Encounter with Muhammad](#) Jul 20 2021 This book offers a fresh appraisal of Muhammad that considers the widest possible history of the ways in which Christians have assessed his prophethood. To medieval Christian communities, Muhammad-the leader of a religious and political community that grew quickly and with relative success-was an enigma. Did God really send him as a prophet with a revelation? Was the political success of the community he founded a divine validation? Or were he and his followers inspired by something evil? Despite their attempts, modern Christians continued to be puzzled by Muhammad. The Qur'an provided a framework for understanding and honouring Jesus; was it possible for Christians to reciprocate with regard to Muhammad? This book applies the same analysis to both medieval and modern assessments of Muhammad, in order to demonstrate the continuities and disparities present in literature from the two eras.

A Thematic Commentary on the Qur'an Mar 28 2022 In a multi-faith world, Islam is widely regarded as dogmatic and exclusivist. Yet in the Qur'an we have a great and worthy example of how to live in diversity, of powerful scriptural tenets that lend themselves precisely to engagement with those of other faiths. As such Islam has much to add to the debate on Religious Pluralism. For Muslims the issue is a delicate one. Aside from being tolerant and respectful of other faiths, advocating freedom of faith, and peaceful coexistence for all humanity, Muslims have to intellectually engage on matters of religious truth whilst defending the validity of their own Islamic tenets. This study is focused on the Qur'anic text. It explores the Qur'anic conception of normative religious pluralism with a view to providing answers to questions such as whether the Qur'an itself regards normative religious pluralism as a value system or simply a method through which the Qur'anic world view can be actualized. In doing so the author corrects some highly controversial misquoted, mistranslated, and/or quoted out of context verses of the Qur'an, including the so-called verse of the sword and the perception of not taking non-Muslims as friends. In reality, the Qur'an calls for freedom of faith and peaceful coexistence, but condemns oppression, religious persecution, and those who initiate hostilities. In this way it not only invokes human dignity, but restores it when it is violated.

Muhammad in the Digital Age Oct 30 2019 The early twenty-first century has experienced an unrivaled dissemination of information and misinformation about Islam, its prophet Muhammad, and its followers, largely facilitated by the fact that the tragedy of 9/11 roughly coincided with the advent of the digital age. In the first collection of its kind, Ruqayya Khan has compiled essays that treat Muhammad and the core elements of Islam as focal points in an exploration of how the digital era—including social media and other expressions—have both had an effect on and been affected by Islam. Scholars from a variety of fields deal with topics such as the 2005 cartoon controversy in Denmark and the infamous 2012 movie trailer “Innocence of Muslims” that some believe sparked the attacks on the US consulate in Benghazi, as well as how the digitization of ancient texts have allowed the origins of Islam to be studied in new ways. Other essays examine how Muhammad’s wives have been represented in various online sources, including a web comic; the contrasting depictions of Muhammad as both a warrior and peacemaker; and how the widespread distribution of “the look” of Islamic terrorists has led to attacks on Sikhs, whose only point of resemblance to them may be a full beard. These findings illuminate the role of the Internet in forms of representation, advocacy, and engagement concerning Islam and Muslims in our world today.

Muhammad and the Christian Dec 01 2019 In this study, Cragg attempts to reconcile the importance of Muhammad with the very nature of the Christian faith.

The Qur'ân and Hadîth Mar 04 2020 This text is an extensive examination that starts off by explaining what revelations mean, how they happened at the time of the Prophet (s.a.w.w.) and how they happened at the time of the Jewish and the Christian. The book continues by describing the authenticity of the Old and New Testaments and talks about the Injil, Jesus's (a.s.) book. After the study of the previous revealed book we can dive in the explanation on the authenticity of the Holy Qur'ân, how to interpret the verses, what ahadith are and how to prove their authenticity. The book also provides lots of examples and is a wonderfully way to learn about our Holy Book and the ahâdith

The Qur'an May 30 2022 This book is unique in its approach to the Qur'an. It argues the point that only God could author such a book, and that Muhammad could have never produced anything like it. While this objective has been attempted by several Muslim scholars who highlighted one aspect or another of the topics highlighted in the Qur'an, Dr. Draz's work is perhaps the first that relies totally on the merits of the Qur'anic text for an irrefutable proof. Dr. Draz discusses the arguments made at the time of the Prophet and later on which suggested that the Qur'an was taught to Muhammad by various teachers, and shows how they all collapse at the first test. When he has irrefutably established the fact that the Qur'an could only be a divine revelation, Dr. Draz goes on to analyze the Qur'anic style, showing how it combines merits that could never be found together in any human writing. Equipped with a profound literary sense and a powerful Arabic style, Dr. Draz discusses the main characteristics of the Qur'anic style, as well as the unity of theme that runs through each chapter, or surah. The work is now presented to English readers as it gives students of the Qur'an valuable insight, enabling them to understand the Qur'an better.

Did Muhammad Exist? Jul 28 2019 Are jihadists dying for a fiction? Everything you thought you knew about Islam is about to change. Did Muhammad exist? It is a question that few have thought—or dared—to ask. Virtually everyone, Muslim and non-Muslim alike, takes for granted that the prophet of Islam lived and led in seventh-century Arabia. But this widely accepted story begins to crumble on close examination, as Robert Spencer shows in his eye-opening new book. In his blockbuster bestseller *The Truth about Muhammad*, Spencer revealed the shocking contents of the earliest Islamic biographical material about the prophet of Islam. Now, in *Did Muhammad Exist?*, he uncovers that material's surprisingly shaky historical foundations. Spencer meticulously examines historical records, archaeological findings, and pioneering new scholarship to reconstruct what we can know about Muhammad, the Qur'an, and the early days of Islam. The evidence he presents challenges the most fundamental assumptions about Islam's origins. *Did Muhammad Exist?* reveals: •How the earliest biographical material about Muhammad dates from at least 125 years after his reported death •How six decades passed before the Arabian conquerors—or the people they conquered—even mentioned Muhammad, the Qur'an, or Islam •The startling evidence that the Qur'an was constructed from existing materials—including pre-Islamic Christian texts •How even Muslim scholars acknowledge that countless reports of Muhammad's deeds were fabricated •Why a famous mosque inscription may refer not to Muhammad but, astonishingly, to Jesus •How the oldest records referring to a man named Muhammad bear little resemblance to the now-standard Islamic account of the life of the prophet •The many indications that Arabian leaders fashioned Islam for political reasons Far from an anti-Islamic polemic, *Did Muhammad Exist?* is a sober but unflinching look at the origins of one of the world's major religions. While Judaism and Christianity have been subjected to searching historical criticism for more than two centuries, Islam has never received the same treatment on any significant scale. The real story of Muhammad and early Islam has long remained in the shadows. Robert Spencer brings it into the light at long last.

Quran Al Kareem Sep 02 2022 Islam is regarded as one of the three central Abrahamic faiths along with Judaism and Christianity. Islam's followers are Muslims, or those who "submit" to God's will. Islam is a universal religion that teaches that God is merciful and compassionate, and that promises the faithful worldly peace and equality and entrance to a sublime eternity. The Quran is the sacred book of Islam, and is believed to be a collection of the direct "recitations" of Allah, or God, as received by the prophet Muhammad (c. 570-632 AD). Muslims do not regard Muhammad as divine with God, but as the last in a line of prophets. In fact, the most fundamental Muslim belief is that there is no other god besides God and no division within the divine Godhead. The Christian Trinity therefore remains problematic for many Muslims. Recognizing them as sacred, the Quran bears some overlap to the Hebrew and Christian scriptures, yet differs on certain facts: one in particular is the blessing and role given to Ishmael rather than Isaac in Islamic tradition. And while Muslims view the Old Testament prophets and Jesus as true prophets, they believe that the revelation Muhammad received perfects the Abrahamic prophetic tradition. Accordingly, Muslims hold the life and teachings of the prophet Muhammad in highest esteem and believe faith requires discipleship to his example. Even so, it is a mistake to regard Muslims as 'Muhammadans' in the same sense that Christians believe faith is mediated and accessible only through Jesus Christ. The life and teachings of Muhammad and the story of early Islam are revealed in the Hadith, which are collections of sayings about the Prophet that have been handed down through generations by skilled and trusted oral historians. These chains of religious transmission vary however, and

thus have been disputed frequently among different schools of Islamic law and theology. While generally in agreement about the Quran, various sects of Islam diverge largely over the authenticity or interpretation of each other's Hadith. Two main groups of Muslims are the Sunnis, or those who believe they follow the more Orthodox "path" laid out by Muhammad's teachings, and the Shi'is (often Shi'ites), or that "party" which believes 'Ali (Muhammad's cousin) was the rightful successor to Muhammad's mantle of leadership. As Islam spread across time, culture, and diverse lands, many different schools of interpretation and practice developed both within and outside of these larger groups, similar to Christian denominationalism. One major expression of Muslim faith that intersects many schools of belief and practice is Sufism, or Islamic mysticism. Like Christian or Jewish mystics, Sufis place greater emphasis on the inward experience of God and on individual acts of spiritual discipline.

Prophet Muhammad (Peace Be Upon Him) in the Bible Jun 26 2019 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as 'Muhammad' and 'Ahmad' – 'the Glorious' and 'the Praised', on whom be peace and lasting blessings, which certainly got fulfilled when he finally arrived on the stage of the history. The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming. Despite the textual corruption of those ancient scriptures, the golden sayings were still preserved by ALLAH, the One True God as a signpost for the honest and noble readers. The seekers of truth! Be certain of the fact that Prophet Muhammad (Peace Be Upon Him) was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah. His coming was prophesied by all the Prophets like Moses and Jesus (Peace Be Upon Them) long before his arrival, and he was also mentioned in the Old and New Testaments. Likewise, the Far East Indian scriptures never failed to mention 'his name and praises' which certainly constitute a miracle pertaining to him and confirming his Prophethood. In the light of the above facts, how could a man of wisdom escape from this overwhelming thought? Or will he still deny this truth? Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by 'Muhammadur Rasul ALLAH' to the creation of ALLAH in general, on whom be peace and lasting blessings? Indeed, it is ALLAH, the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran: "O mankind! The Messenger (Muhammad, on whom be peace and lasting blessings) hath come unto you with the Truth from your Lord. Therefore believe; (it is) better for you. But if ye disbelieve, still, lo! Unto ALLAH belongeth whatsoever is in the heavens and the earth. ALLAH is ever Knower, Wise" - (4:170).

Concepts of Islam Aug 01 2022 Concepts of Islam is firstly an honest and sincere effort to show the beauty and grandeur of what has been given to mankind in both the universal message that Muhammad received in the form of divine revelation-The Holy Quran, and the way that the prophet Muhammad lived his personal life his Sunni. It is to be noted that in no way could one manuscript capture all of the beauty and splendor of the Glorious Quran, or the repertory life of the prophet Muhammad.

The Prophet Muhammad Oct 23 2021 A history of the prophet's life and times offers a vivid portrayal of sixth-century Arabia, charting Muhammad's early years, the night he received his religious vision, his work to establish Islam and the classical Arabic of the Qur'an, and his role as the founder of a world empire and civilization.

Muhammad and the People of the Book Feb 12 2021 Muhammad and the People of Book by Sahaja Carimokam asks the question, what was the nature of Muhammad's relationship to non-Muslims, particularly Jews and Christians, and how did it change over time? This work is based on a chronological reading of the chapters of the Qur'an supplemented with Muslim commentary literature and biographical materials on the life of Muhammad. Carimokam traces Muhammad's evolving religious viewpoint based on his borrowings of primarily Jewish and some Christian traditional/apocryphal materials. He shows how Muhammad's inaccurate and anachronistic rendition of Jewish traditional literature ensured that the Jews would reject him as a Prophet. This rejection led to his ultimatum to the Jews early in the Medinan period of the Qur'an and culminated with his call to Jihad against all non-Muslims, including those Jews and Christians who refused to acknowledge his Prophethood. The origins of takfir, declaring Muslims to be non-Muslims, are considered. Comparisons are made of moderate and traditional interpreters of the Qur'an. Historical-critical issues regarding the background provided by Muslim historical propaganda is considered in one chapter. The book concludes with a controversial issue for the interpretation of Islamic law in the 21st century based on the actual canonical practices of Muhammad.

Thanks to his acclaimed critical studies, students and scholars alike have found in his work new and important directions for research." —Nabil Matar, professor, University of Minnesota This magisterial survey of the Prophet Muhammad over three hundred and fifty years is both a cross cultural history and a discussion of the intellectual changes in the representation of the Prophet's life based on the close examination of original published and unpublished manuscripts. Ahmad Gunny is fellow and senior associate at the Oxford Centre for Islamic Studies.

What the Koran Really Says May 18 2021 Islam has worldwide influence, and even in the United States is experiencing a period of unprecedented growth. Its sacred book, the Koran, is the subject of voluminous commentary, yet it rarely receives the kind of objective critical scrutiny that has been applied to the texts of the Bible for over a century. To correct this neglect of objective scholarship, this author has assembled an excellent collection of critical commentaries on the Koran published by noted scholars from the beginning of the 20th century to recent times. These important studies, as well as his own lengthy introduction, show that little about the text of the Koran can be taken at face value. Among the fascinating topics discussed is evidence that early Muslims did not understand Muhammad's original revelation, that the ninth-century explosion of literary activity was designed to organize and make sense of an often incoherent text, and that much of the traditions surrounding Muhammad's life were fabricated long after his death in an attempt to give meaning to the Koran. Also of interest are suggestions that Coptic and other Christian sources heavily influenced much of the text and that some passages reflect even an Essenian background reaching back to the community of the Dead Sea Scrolls. This outstanding volume will be a welcome resource to interested lay readers and scholars alike.

The Complete Biography of Prophet Muhammad Saw Bilingual Edition English & Indonesia Sep 21 2021 The Complete Biography of Prophet Muhammad SAW The Last Messenger of God In Islam Faith. Biografi Nabi Muhammad SAW Edisi Bilingual. Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam faith. Believed by Muslims to be a prophet and messenger of Allah SWT (God), Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. While non-Muslims generally regard Muhammad as the founder of Islam, Muslims consider him to have restored the unaltered original monotheistic faith of Prophet Abraham, Prophet Moses, Prophet Jesus and other prophets. Born approximately in 570 CE in the Arabian city of Mecca, Prophet Muhammad SAW was orphaned at an early age; he was raised under the care of his paternal uncle Abu Talib. After his childhood Muhammad primarily worked as a merchant.

Occasionally he would retreat to a cave in the mountains for several nights of seclusion and prayer; later, at age 40, he reported at this spot, that he was visited by Angel Gabriel and received his first revelation from Allah SWT (God). Three years after this event Prophet Muhammad SAW started preaching these revelations publicly, proclaiming that "God is One." Prophet Muhammad SAW, may the mercy and blessings of God be upon him, is the man beloved by more than 1.5 billion Muslims. He is the man who taught us patience in the face of adversity, and taught us to live in this world but seek eternal life in the hereafter. It was to Prophet Muhammad SAW that God revealed the Quran. Along with this Book of guidance God sent Prophet Muhammad SAW, whose behavior and high moral standards are an example to us all. Prophet Muhammad's life was the Quran. He understood it, he loved it and he lived his life based on its standards. He taught us to recite the Holy Quran, to live by its principles and to love it. When Muslims declare their faith in One God, they also declare their belief that Muhammad is the slave and final messenger of God.

Islam for the Western Mind Jul 08 2020 Prophecy, politics, and the birth of a religion More than a billion people consider themselves Muslim. It is the world's second-largest religion. Yet Western portrayals of the Islamic mind are often flawed. *Islam for the Western Mind* is an intensive look--from a Christian perspective--at what inspires and motivates Muslims, namely Muhammad and the teaching of the Koran. Dr. Drummond, an ordained Presbyterian minister and former professor, presents a balanced look at the life and teaching of Islam's founding Prophet, paying detailed attention to the religious and political community that existed during Muhammad's time as well as after his death. Dr. Drummond also looks at the larger cultural impact of Islam, examining what he calls the lightning-like spread of the new religion across much of the Middle East, North Africa, and parts of Europe, and examines Muhammad's teaching about women, pagans, and Jesus, the Messiah, Son of Mary. He gives detailed attention to the ethical teaching of the Koran. All this is with primary emphasis upon God as Lord of the Worlds, yet merciful and compassionate, and upon prophecy as divine revelation. *Islam for the Western Mind* is an essential text for anyone wanting an unbiased look at Muhammad, the Koran, and the religion they inspired.

Muhammad, the Messenger of Islam Aug 28 2019 Adil writes of the Holy Prophet and how he prayed for mercy upon his enemies. Despite the fact that they did him such harm and caused him so much hurt, he would not curse them, for all prophets' curses instantly take effect.

Muhammad, Prophet of God Dec 13 2020 Peterson engagingly tells the tale of this prophet, blending the texts of traditional sources into a clear narrative that opens a window on the life and influence of the first Muslim.

Muhammad's Body Jan 02 2020 *Muhammad's Body* introduces questions of embodiment and materiality to the study of the Prophet Muhammad. Analyzing classical Muslim literary representations of Muhammad's body as they emerge in Sunni hadith and sira from the eighth through the eleventh centuries CE, Michael Muhammad Knight argues that early Muslims' theories and imaginings about Muhammad's body contributed in significant ways to the construction of prophetic masculinity and authority. Knight approaches hadith and sira as important religiocultural and literary phenomena in their own right. In rich detail, he lays out the variety of ways that early believers imagined Muhammad's relationship to beneficent energy—baraka—and to its boundaries, effects, and limits. Drawing on insights from contemporary theory about the body, Knight shows how changing representations of the Prophet's body helped to legitimize certain types of people or individuals as religious authorities, while marginalizing or delegitimizing others. For some Sunni Muslims, Knight concludes, claims of religious authority today remain connected to ideas about Muhammad's body.

Concise Defense of Prophet Muhammad, the Quran and Islam Aug 09 2020 Perhaps no prophet or messenger of Allah (God) has been written about more than Prophet Muhammad. Thousands of writings, spanning many centuries, describe a wide range of circumstances alleged to have occurred in his life. This enormous literature is what sets him apart from Moses and Jesus; his predecessors. Prophet Muhammad's history and teachings are very controversial, in part, because the writings that we have about his life did not come directly from him. We do not have his autobiography. We do not have any authentic writings about his life from those who were around him. This book addresses the problems borne of this reality, which is often overlooked by religious scholars. Sensibly, the Teachings of Prophet Muhammad are in the Quran; but this truth has been marred by the fact that we also do not possess the "actual" Quran that Prophet Muhammad received from Allah. Most people have accepted, without question, the written oral traditions or hadiths that attempt to explain the circumstances involving this, as well as the Quran's development. This book, however, shows how these explanations are inconsistent with Allah's pattern regarding HIS divine messengers as expressed throughout the Quran. The controversies encompassing Prophet Muhammad, the Quran and Islam are borne of the enduring backlash, spanning many centuries, of numerous hadith that are contradictory and inconsistent with the Quran. This "literature" includes many interpretations of the Quran that have shaped the attitudes of those professing to follow Prophet Muhammad. Some of these interpretations violate the "rights of women," in particular. Consequently, this has generated false perceptions about Prophet Muhammad, the Quran and Islam; and has sullied the divinity of his polygamous marriage. This book addresses the problems caused by this controversial Islamic literature and false Quranic interpretations, while providing a concise defense and explanation of Prophet Muhammad, the Quran and Islam. This book also shows that Allah, alone, is the Witness of the sanctity of Prophet Muhammad and the Quran.

The Historical Muhammad Jan 26 2022 In his quest for the historical Muhammad, Zeitlin's chief aim is to catch glimpses of the birth of Islam and the role played by its extraordinary founder. Islam, as its Prophet came to conceive it, was a strict and absolute monotheism. How Muhammad had arrived at this view is not a problem for Muslims, who believe that the Prophet received a revelation from Allah or God, mediated by the Angel Gabriel. For scholars, however, interested in placing Muhammad in the historical context of the seventh-century Arabian Peninsula, the source of the Prophet's inspiration is a significant question. It is apparent that the two earlier monotheisms, Judaism and Christianity, constituted an influential presence in the Hijaz, the region comprising Mecca and Medina. Indeed, Jewish communities were salient here, especially in Medina and other not-too-distant oases. Moreover, in addition to the presence of Jews and Christians, there existed a third category of individuals, the Hanifs, who, dissatisfied with their polytheistic beliefs, had developed monotheistic ideas. Zeitlin assesses the extent to which these various influences shaped the emergence of Islam and the development of the Prophet's beliefs. He also seeks to understand how the process set in motion by Muhammad led, not long after his death, to the establishment of a world empire.

Muhammad Apr 16 2021 Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' *Muhammad: His Life Based on the Earliest Sources* is unlike any

other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. **Muhammad: His Life Based on the Earliest Sources** was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983. **Muhammad** Dec 25 2021 Muhammad is the messenger of Islam. Born in Mecca in the year 570, Muhammad grew into a sensitive and thoughtful man who believed deeply in the worship of one true god. In his fortieth year, Muhammad experienced a revelation from the angel Gabriel that he, Muhammad, was the messenger of God. Over the next twenty-three years, he received many such revelations, all of which were written down by scribes at the time of revelation to become the Koran, the sacred scripture of Islam, a religion that is practiced by nearly one-quarter of the world's population and holds as its most sacred tenet that there is no god but God. Through a clear text and stunning illustrations based upon those of traditional Islamic expression, the award-winning artist Demi here introduces the remarkable life of the Prophet Muhammad for young readers.

Summary of Robert Spencer's The Truth About Muhammad Mar 16 2021 Please note: This is a companion version & not the original book. Sample Book Insights: #1 Islam is often called a religion of peace, but the truth is that most Muslims do not resist or condemn the global Islamic jihad being fought in their name. #2 The idea of Muhammad as a champion of liberty and democracy was not original to Trump's questioner. The Muslim writer Farida Khanam wrote that Muhammad was a meek, mild man who loved all humankind. #3 Some Muslims even invoked Muhammad's example in the opposite direction, and said that he would have wanted the cartoonists dead. #4 The distinction between Islam and Islamism is widely accepted by public policy analysts and opinion-makers. But what many people don't know is that Islamism has apocalyptic echoes of another millennial ideology, fascism.

The Covenants of the Prophet Muhammad with the Christians of the World May 06 2020 The Prophet Muhammad's treaties with the Christians of his time, which John Andrew Morrow has rediscovered in obscure collections and often newly translated, uniformly state that Muslims are not to attack peaceful Christian communities, but defend them until the End of the World. Authored by the Prophet himself, they represent a third foundational pillar for Islam outside of Qur'an and hadith. The Covenants Initiative within the book represents a movement by Muslims, both prominent and unknown, in support of Christians under attack. These treaties desperately need to be better known among Christians, Muslims, and the general public. For scholars, this book provides much difficult-to-obtain material: facsimiles of primary sources in Arabic and Persian; corrected versions in modern Arabic typescript; and alternate translations. They now have all they need to study the covenants in depth. "This narrative has the power to unite Muslim and Christian communities. Dr. Morrow brings forth exceptionally important findings that dictate peaceful coexistence among Jews, Christians, and Muslims."--BRIDGET BLOMFIELD, University of Nebraska

The Tale of Prophet Muhammad Saw Last Messenger of Allah (God) Nov 04 2022 Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam faith. Believed by Muslims to be a prophet and messenger of Allah SWT (God), Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. While non-Muslims generally regard Muhammad as the founder of Islam, Muslims consider him to have restored the unaltered original monotheistic faith of Prophet Abraham, Prophet Moses, Prophet Jesus and other prophets. Prophet Muhammad SAW taught us to love God and to obey Him. He taught us to be kind to each other, to respect our elders, and care for our children. He taught us that it was better to give than to receive and that each human life is worthy of respect and dignity. He taught us to love for our brothers and sisters what we love for ourselves. Prophet Muhammad SAW taught us that families and communities are essential, and he pointed out that individual rights although important are not more important than a stable, moral society.
