If you ally obsession such a referred **Soul Music Discworld Novel 16 Discworld Novels** books that will find the money for you worth, acquire the utterly best seller from us currently from several preferred authors. If you desire to hilarious books, lots of novels, tale, jokes, and more fictions collections are along with launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all books collections Soul Music Discworld Novel 16 Discworld Novels that we will totally offer. It is not just about the costs. Its just about what you dependence currently. This Soul Music Discworld Novel 16 Discworld Novels, as one of the most energetic sellers here will unconditionally be along with the best options to review.

**Terry Pratchett's Discworld Colouring Book** Oct 21 2021

**The Last Continent** Jul 26 2019 A beautiful hardback edition of the classic Discworld novel 'Anything you do in the past changes the future. The tiniest little actions have huge consequences. You might tread on an ant now and it might entirely prevent someone from being born in the future.' There's nothing like the issue of evolution to get under the skin of academics. Even if their field of expertise is magic rather than biology. With the best and most interfering minds of Unseen University somehow left in charge at a critical evolutionary turning point, the Discworld's last continent needs a saviour... Who is this hero striding across the red desert? Sheep shearer, beer drinker, bush ranger, and someone who'll even eat a Meat Pie Floater when he's sober. In fact, it's Rincewind, a wizard so inept he can't even spell wizard. He's the only hero left. Still...no worries, eh?

**The Wit and Wisdom of Discworld** Dec 11 2020 For more than two decades, Terry Pratchett has been regaling readers with tales of Discworld—a flat world balanced on the backs of four elephants, which are standing on the back of a giant turtle, flying through space. It is a world populated by ineffectual wizards and sharp-as-tacks witches, by tired policemen and devious dictators, by reformed thieves and vampires who have sworn to drink no blood. It is a world that is vastly different from our own . . . except when it isn't. Now, in *The Wit and Wisdom of Discworld*, various nuggets of Pratchett's witty commentary and sagacious observations have been compiled by Pratchett expert Stephen Briggs, a man who, they say, knows even more about Discworld than Terry Pratchett. Within these pages, you'll find musings on: Interior decorating: "It's a fact known throughout the universes that no matter how carefully the colors are chosen, institutional decor ends up as either vomit green, unmentionable brown, nicotine yellow, or surgical appliance pink. By some little-understood process of sympathetic resonance, corridors painted in those colors always smell slightly of boiled cabbage—even if no cabbage is ever cooked in the vicinity." (Equal Rites) Travel: "Any seasoned traveler soon learns to avoid anything wished on them as a 'regional speciality,' because all the term means is that the dish is so unpleasant the people living everywhere else will bite off their own legs rather than eat it. But hosts still press it upon distant guests anyway: 'Go on, have the dog's head stuffed with macerated cabbage and pork noses—it's a regional speciality.'" (The Last Continent) Young men: "And then there was the young male walk. At least women swung only their hips. Young men swung everything, from the shoulders down. You have to try to occupy a lot of space. It makes you look bigger, like a tomcat fluffing his tail. The boys tried to walk big in self-defense against all those other big boys out there. I'm bad, I'm fierce, I'm cool, I'd like a pint of shandy and me mam wants me home by nine." (Monstrous Regiment) Class: "'Old money' meant that it had been made so long ago that the black deeds that had originally filled the coffers were now historically irrelevant. Funny, that; a brigand for a father was something you kept quiet about, but a slave-taking pirate for a great-great-great-grandfather was something to boast of over the port. Time turned the evil bastards into rogues, and rogue was a word with a twinkle in its eye and nothing to be ashamed of." (Making Money) . . . and more! Culled from all the Discworld novels, *The Wit and Wisdom of Discworld* confirms Pratchett's place in the pantheon of great satirists and proves why the Chicago Tribune has praised his Discworld as "entertaining and gloriously funny . . . an accomplishment nothing short of magical."

**Soul Music** Oct 01 2022 'Classic English humour, with all the slapstick, twists and dry observations you could hope for' The Times The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . 'This is a story about sex and drugs and Music With Rocks In. Well... ..one out of three ain't bad.' Being sixteen is always difficult, even more so when there's a Death in the family. After all, it's hard to grow up normally when Grandfather rides a white horse and wields a scythe. Especially if he decides to take a well-earned moment to uncover the meaning of life and discover himself in the process, so that you have to take over the family business, and everyone mistakes you for the Tooth Fairy. And especially when you have to face the new and addictive music that has entered Discworld. It's lawless. It changes people. It's got a beat and you can dance to it. It's called Music With Rocks In. And it won't fade away. \_\_\_\_\_ The Discworld novels can be read in any order but Soul Music is the third book in the Death series.

**Nation** Aug 07 2020 When a giant wave destroys his village, Mau is the only one left. Daphne—a traveler from the other side of the globe—is the sole survivor of a shipwreck. Separated by language and customs, the two are united by catastrophe. Slowly, they are joined by other refugees. And as they struggle to protect the small band, Mau and Daphne defy ancestral spirits, challenge death himself, and uncover a long-hidden secret that literally turns the world upside down.

**Tales of Discworld** Jun 24 2019

**Night Watch** Nov 21 2021 Sixth book of the original and best CITY WATCH series, now reinterpreted in BBC's The Watch 'The best Discworld book in the whole world ever. Until next time.' SFX The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . 'Don't put your trust in revolutions. They always come round again. That's why they're called revolutions. People die, and nothing changes.' For a policeman, there can be few things worse than a serial killer loose in your city. Except, perhaps, a serial killer who targets coppers, and a city on the brink of bloody revolution. For Commander Sam Vimes, it all feels horribly familiar. Caught on the roof of a very magical building during a storm, he's found himself back in his own rough, tough past without even the clothes he was standing up in when the lightning struck. Living in the past is hard, especially when your time travel companion is a serial killer who knows where you live. But he must survive, because he has a job to do: track down the murderer and change the outcome of the rebellion. The problem is: if he wins, he's got no wife, no child, no future...

**Soul Music** Aug 31 2022 OTHER CHILDREN GET GIVEN XYLOPHONES. SUSAN JUST HAD TO ASK HER GRANDFATHER TO TAKE HIS VEST OFF. Yes. There's a Death in the family. It's hard to grow up normally

when Grandfather rides a white horse and wields a scythe - especially when you have to take over the family business, and everyone mistakes you for the Tooth Fairy. And especially when you have to face the new and addictive music that has entered Discworld. It's lawless. It changes people. It's called Music With Rocks In. It's got a beat and you can dance to it, but... It's alive. And it won't fade away.

**Death Trilogy** Sep 19 2021 This volume contains *Mort*, *Reaper Man* and *Soul Music*, all starring Death, the Discworld's most endearing character, his steed Binky, his granddaughter Susan, the Death of Rats and all the various denizens of the Discworld.

**Witches Abroad** Oct 09 2020 It seemed an easy job... After all, how difficult could it be to make sure that a servant girl doesn't marry a prince? But for the witches Granny Weatherwax, Nanny Ogg and Magrat Garlick, travelling to the distant city of Genua, things are never that simple... Servant girls have to marry the prince. That's what life is all about. You can't fight a Happy Ending. At least - up until now...

**Making Money** Apr 26 2022 'As bright and shiny as a newly minted coin; clever, engaging and laugh-out-loud funny' The Times The Discworld is very much like our own – if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . Whoever said you can't fool an honest man wasn't one. The Royal Bank is facing a crisis, and it's time for a change of management. There are a few problems that may arise with the job . . . The Chief Cashier is almost certainly a vampire – there's something nameless in the cellar and it turns out that the Royal Mint runs at a loss. Meanwhile, people actually want to know where the money's gone. It's a job for life. But, as former con-man Moist von Lipwig is learning, that life is not necessarily a long one. He's about to be exposed as a fraud, but if he's lucky the Assassins' Guild might get him first. In fact, a lot of people want him dead. Everywhere he looks he's making enemies. Oh. And every day he has to take the Chairman for walkies. \_\_\_\_\_ The Discworld novels can be read in any order but *Making Money* is the second book in the Moist von Lipwig series.

**Reaper Man** Apr 02 2020 They say there are only two things you can count on ... But that was before DEATH started pondering the existential. Of course, the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now DEATH is having the time of his life, finding greener pastures where he can put his scythe to a whole new use. But like every cutback in an important public service, DEATH's demise soon leads to chaos and unrest -- literally, for those whose time was supposed to be up, like Windle Poons. The oldest geezer in the entire faculty of Unseen University -- home of magic, wizardry, and big dinners -- Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find DEATH and save the world for the living (and everybody else, of course).

**Terry Pratchett** Jul 06 2020 Terry Pratchett is one of the most loved writers in the world. With worldwide sales of over 65 million copies in 37 languages, his novels are eagerly awaited by his legions of fans year after year. His first Discworld novel, *The Colour of Magic*, was released in 1983 and ever since then the series, with its whimsical heroes and fiendish foes, has delighted both young and old alike. In 2007 Pratchett announced that he had been diagnosed with Alzheimer's disease. He has courageously faced the disease head - on, equalling the determination of his characters in his vivid and satirical novels. In *Terry Pratchett - The Spirit of Fantasy*, Craig Cabell's examines his extraordinary life, showcased against the backdrop of his irreverent works. With 2011 the 40th anniversary year of his first novel, *The Carpet People*, this is a fitting time to pay tribute to the author's artistic achievements and celebrate one of Britain's true national treasures. Featuring an in - depth look at the man and his work, as well as on - screen adaptations and a complete UK bibliography and collector's guide, this is essential reading for any fan.

**Soul Music** Jul 30 2022 It's hard to grow up normal when Grandfather rides a white horse and wields a scythe — and especially when you have to face the new and addictive music that has entered Discworld. It's lawless. It changes people. It's called Music with Rocks In. It's alive. And it won't fade away.

**Thief of Time** May 16 2021 Time is of the essence in Terry Pratchett's twenty-sixth Discworld novel. Time is a resource. Everyone knows it has to be managed. And on the Discworld that is the job of the Monks of History, who store it and pump it from the places where it's wasted (like underwater — how much time does a codfish need?) to places like cities, where there's never enough time. But the construction of the world's first truly accurate clock starts a race against, well, time for Lu Tze and his apprentice Lobsang Ludd. Because it will stop time. And that will only be the start of everyone's problems. *Thief of Time* comes complete with a full supporting cast of heroes, villains, yetis, martial artists and Ronnie, the fifth Horseman of the Apocalypse (who left before they became famous). From the Compact Disc edition.

**The Colour of Magic** Jun 04 2020 On a world supported on the back of a giant turtle (sex unknown), a gleeful, explosive, wickedly eccentric expedition sets out. There's an avaricious but inept wizard, a naïve tourist whose luggage moves on hundreds of dear little legs, dragons who only exist if you believe in them, and of course THE EDGE of the planet...

*The Folklore of Discworld* Jan 30 2020 OFFERING INSIGHTS INTO ALL 40 DISCWORLD NOVELS Find out - Why cheeses roll down hills - The hazards of treacle mining - What's so uncanny about the humble hare -The origins of orcs (which are not the same as goblins!) - Why witches come in threes Legends, myths, fairytales, superstitions. Our world is full of the stories we have told ourselves about where we came from and how we got there. It is the same on Discworld, except that beings such as vampires, trolls, golems, witches and, possibly, gods, which on Earth are creatures of the imagination, are real, alive, and in some cases kicking on the Disc. *The Folklore of Discworld*, coauthored by Terry Pratchett and leading British folklorist Jacqueline Simpson, is an invaluable reference for longtime Discworld fans and newcomers alike. An irreverent yet illuminating look at the living myths and folklore that are reflected, celebrated, and affectionately libeled in the uniquely imaginative universe of Discworld.

**The Folklore of Discworld** Aug 19 2021 NOW UPDATED to include material on the Discworld books up to *Raising Steam*. Most of us grow up having always known to touch wood or cross our fingers, and what happens when a princess kisses a frog or a boy pulls a sword from a stone, yet sadly some of these things are now beginning to be forgotten. Legends, myths, fairytales: our world is made up of the stories we told ourselves about where we came from and how we got there. It is the same on Discworld, except that beings which on Earth are creatures of the imagination - like vampires, trolls, witches and, possibly, gods - are real, alive and in some cases kicking on the Disc. In *The Folklore of Discworld*, Terry Pratchett teams up with leading British folklorist Jacqueline Simpson to take an irreverent yet illuminating look at the living myths and folklore that are reflected, celebrated and affectionately libelled in the uniquely imaginative universe of Discworld.

**Guards! Guards!** Dec 23 2021 The eighth Discworld novel — After this, dragons will never be the same again! This is where the dragons went. They lie . . . not dead, not asleep, but . . . dormant. And although the space they occupy isn't like normal space, nevertheless they are packed in tightly. They could put you in mind of a can of sardines, if you thought sardines were huge and scaly. And presumably, somewhere, there's a key . . .

*Mort* Mar 14 2021 Fantasy roman.

**Tiffany Aching Complete Collection** Aug 26 2019 This collection includes all five Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series, including the final Discworld novel, *The Shepherd's Crown*. The Wee Free Men: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men. A Hat Full of Sky: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! Indeed, there is. . . . Wintersmith: When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. I Shall Wear Midnight: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root, for if she fails, the whole Chalk falls with her. . . . The Shepherd's Crown: Deep in the Chalk, something is stirring. The owls and the foxes can sense it, and Tiffany Aching feels it in her boots. An old enemy is gathering strength. This is a time of endings and beginnings, old friends and new, a blurring of edges and a shifting of power. Now Tiffany stands between the light and the dark, the good and the bad. There will be a reckoning. . . .

**The Time-travelling Caveman** Nov 09 2020 \*The final collection of short stories from the incredible Sir Terry Pratchett!\* Imagination is an amazing thing. It can take you to the top of the highest mountain, or down to the bottom of

the deepest depths of the sea. This where it took Doggins on his Awfully Big Adventure: a quest full of magic and flying machines. (And the world's best joke - trust me, it's hilarious.) It took three young inventors to the moon (where they may or may not have left a bottle of lemonade) and a caveman on a trip to the dentist. You can join them on these adventures, and many more, in this incredible collection of stories . . . From the greatest imagination there ever was. Written for local newspapers when Terry Pratchett was a young lad, these never previously published stories are packed full of anarchic humour and wonderful wit. A must-have for Terry fans . . . and young readers looking for a fix of magic.

**Thud!** Jul 18 2021 'Some people would be asking: whose side are you on? If you're not for us, you're against us. Huh. If you're not an apple, you're a banana' Koom Valley, the ancient battle where the trolls ambushed the dwarfs, or the dwarfs ambushed the trolls, was a long time ago. But if he doesn't solve the murder of just one dwarf, Commander Sam Vimes of Ankh-Morpork City Watch is going to see it fought again, right outside his office. With his beloved Watch crumbling around him and war-drums sounding, he must unravel every clue, outwit every assassin and brave any darkness to find the solution. And darkness is following him. Oh . . . and at six o'clock every day, without fail, with no excuses, he must go home to read 'Where's My Cow?', with all the right farmyard noises, to his little boy. There are some things you have to do.

*Lords and Ladies* May 04 2020 Although they may feature witches and wizards, vampires and dwarves, along with the occasional odd human, Terry Pratchett's bestselling Discworld novels are grounded firmly in the modern world. Taking humorous aim at all our foibles, each novel reveals our true character and nature. It's a dreamy midsummer's night in the Kingdom of Lancre. But music and romance aren't the only things filling the air. Magic and mischief are afoot, threatening to spoil the royal wedding of King Verence and his favorite witch, Magrat Garlick. Invaded by some Fairie Trash, soon it won't be only champagne that's flowing through the streets ...

*Guards! Guards!* Sep 07 2020 First book of the original and best CITY WATCH series, now reinterpreted in BBC's The Watch 'This is one of Pratchett's best books. Hilarious and highly recommended' The Times The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . \_\_\_\_\_ 'It was the usual Ankh-Morpork mob in times of crisis; half of them were here to complain, a quarter of them were here to watch the other half, and the remainder were here to rob, importune or sell hotdogs to the rest.' Insurrection is in the air in the city of Ankh-Morpork. The Haves and Have-Nots are about to fall out all over again. Captain Sam Vimes of the city's ramshackle Night Watch is used to this. It's enough to drive a man to drink. Well, to drink more. But this time, something is different - the Have-Nots have found the key to a dormant, lethal weapon that even they don't fully understand, and they're about to unleash a campaign of terror on the city. Time for Captain Vimes to sober up.

*Equal Rites* Nov 02 2022 'Persistently amusing, good-hearted and shrewd' The Sunday Times The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . They say that a little knowledge is a dangerous thing, but it's not half so bad as a lot of ignorance. The last thing the wizard Drum Billet did, before Death laid a bony hand on his shoulder, was to pass on his staff of power to the eighth son of an eighth son. Unfortunately for his colleagues in the chauvinistic (not to say misogynistic) world of magic, he failed to check that the baby in question was a son. Everybody knows that there's no such thing as a female wizard. But now it's gone and happened, there's nothing much anyone can do about it. Let the battle of the sexes begin . . . \_\_\_\_\_ The Discworld novels can be read in any order but *Equal Rites* is the first book in the Witches series.

*Magic Burns* Dec 31 2019 Down in Atlanta, tempers - and temperatures - are about to flare . . . As a mercenary who cleans up after magic gone wrong, Kate Daniels has seen her share of occupational hazards. Normally, waves of paranormal energy ebb and flow across Atlanta like a tide. But once every seven years, a flare comes, a time when magic runs rampant. Now Kate's going to have to deal with problems on a much bigger scale: a divine one. When Kate sets out to retrieve a set of stolen maps for the Pack, Atlanta's paramilitary clan of shapeshifters, she quickly realizes much more at stake. During a flare, gods and goddesses can manifest - and battle for power. The stolen maps are only the opening gambit in an epic tug-of-war between two gods hoping for rebirth. And if Kate can't stop the cataclysmic showdown, the city may not survive . . .

*Monstrous Regiment* Sep 27 2019 A new stage adaptation of one of Pratchett's best-selling novels *The Monstrous Regiment* in question is made up of a vampire (reformed and off the blood, thank you), a troll, Igor (who is only too happy to sew you a new leg if you aren't too particular about previous ownership), a collection of misfits and a young woman discovers that a pair of socks shoved down her pants is a good way to open up doors in a man's army."One of the funniest English authors alive" (Independent)

*Small Gods* Feb 22 2022 The thirteenth novel in the Discworld series from New York Times bestselling author Terry Pratchett. Lost in the chill deeps of space between the galaxies, it sails on forever, a flat, circular world carried on the back of a giant turtle— Discworld—a land where the unexpected can be expected. Where the strangest things happen to the nicest people. Like Brutha, a simple lad who only wants to tend his melon patch. Until one day he hears the voice of a god calling his name. A small god, to be sure. But bossy as Hell.

*The Long War* Feb 10 2021 *The Long War* by Terry Pratchett and Stephen Baxter follows the adventures and travails of heroes Joshua Valiente and Lobsang in an exciting continuation of the extraordinary science fiction journey begun in their New York Times bestseller *The Long Earth*. A generation after the events of *The Long Earth*, humankind has spread across the new worlds opened up by "stepping." A new "America"—Valhalla—is emerging more than a million steps from Datum—our Earth. Thanks to a bountiful environment, the Valhallan society mirrors the core values and behaviors of colonial America. And Valhalla is growing restless under the controlling long arm of the Datum government. Soon Joshua, now a married man, is summoned by Lobsang to deal with a building crisis that threatens to plunge the Long Earth into a war unlike any humankind has waged before.

**The Discworld Companion** Oct 28 2019 Who taught witchcraft to Granny Weatherwax? What does Death keep on his desk? This is an A-Z guide to the characters, places, flora and fauna of Terry Pratchett's fantasy planet, Discworld, with sketches and maps of the key locations.

**Hogfather** Jan 24 2022 It's the night before Hogswatch. And it's too quiet. Superstition makes things work in the Discworld, and undermining it can have consequences. It's just not right to find Death creeping down chimneys and trying to say 'Ho Ho Ho...' It's the last night of the year, the time is turning, and if Susan, gothic governess and Death's granddaughter (sort of), doesn't sort everything out by morning, there won't be a morning. Ever again... Adapted by Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel *Hogfather* wittily and faithfully reimagines the story for the stage.

*Mort* Jan 12 2021 'Cracking dialogue, compelling illogic and unchained whimsy' Sunday Times The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . Death comes to us all. When he came to Mort, he offered him a job. Death is the Grim Reaper of the Discworld, a black-robed skeleton carrying a scythe who must collect a minimum number of souls in order to keep the momentum of dying, well . . . alive. He is also fond of cats and endlessly baffled by humanity. Soon Death is yearning to experience what humanity really has to offer . . . but to do that, he'll need to hire some help. It's an offer Mort can't refuse. As Death's apprentice he'll have free board, use of the company horse - and being dead isn't compulsory. It's a dream job - until Mort falls in love with Death's daughter, Ysabell, and discovers that your boss can be a killer on your love life . . . \_\_\_\_\_ The Discworld novels can be read in any order but *Mort* is the first book in the Death series.

**The World of Poo** Mar 02 2020 From Snuff: 'Vimes' prompt arrival got a nod of approval from Sybil, who gingerly handed him a new book to read to Young Sam. Vimes looked at the cover. The title was *The World of Poo*. When his wife was out of eyeshot he carefully leafed through it. Well, okay, you had to accept that the world had moved on and these days fairy stories were probably not going to be about twinkly little things with wings. As he turned page after page, it dawned on him that whoever had written this book, they certainly knew what would make kids like Young Sam laugh until they were nearly sick. The bit about sailing down the river almost made him smile. But interspersed with the scatology was actually quite interesting stuff about septic tanks and dunnakin divers and gongfermors and how dog muck helped make the very best leather, and other things that you never thought you would need to know, but once heard somehow lodged in your mind.'

*Victory of Eagles* Jun 16 2021 From the New York Times bestselling author of *A Deadly Education* comes the fifth volume of the Temeraire series, as Will Laurence and Temeraire struggle to reunite and face the Napoleonic army on London's doorstep. "A story about friendship that transcends not only time and class, but species."—NPR For Britain, conditions are grim: Napoleon's resurgent forces have breached the Channel and successfully invaded English soil.

Napoleon's prime objective is the occupation of London. Unfortunately, the dragon Temeraire has been removed from military service—and his captain, Will Laurence, has been condemned to death for treason. Separated by their own government and threatened at every turn by Napoleon's forces, Laurence and Temeraire must struggle to find each other amid the turmoil of war. If only they can be reunited, master and dragon might rally Britain's scattered resistance forces and take the fight to the enemy as never before, for king and country—and for their own liberty. Don't miss any of Naomi Novik's magical Temeraire series HIS MAJESTY'S DRAGON • THRONE OF JADE • BLACK POWDER WAR • EMPIRE OF IVORY • VICTORY OF EAGLES • TONGUES OF SERPENTS • CRUCIBLE OF GOLD • BLOOD OF TYRANTS • LEAGUE OF DRAGONS

**The First Discworld Novels** May 28 2022 This is how the Discworld began. Here is the sapient pearwood Luggage, a mobile trunk which launders any clothes put in it and incidentally homicidally defends its owner. Here is Twoflower, an innocent tourist in a world of nightmares and fairy tales

*Death and Friends, A Discworld Journal* Nov 29 2019 There's nothing like a journal to get you thinking about life, the universe, and a Disc suspended by four elephants stood atop a giant turtle. And who better to help than Death, Sir Terry Pratchett's most enduring anthropomorphic personification? With space aplenty to keep note of your daily musings, express your wildest dreams, or write your life story, you'll be aided and abetted by Death's wisdom, witticisms and observations along the way. Fill the pages how you like, there's no wrong way to live a life. Or write a book. So COWER, BRIEF MORTAL, and always look on the bright side of Death.

*Pyramids* Apr 14 2021 'Look after the dead', said the priests, 'and the dead will look after you.' Wise words in all probability, but a tall order when, like Teppic, you have just become the pharaoh of a small and penniless country rather earlier than expected, and your treasury is unlikely to stretch to the building of a monumental pyramid to honour your dead father. He'd had the best education money could buy of course, but unfortunately the syllabus at the Assassin's Guild in Ankh-Morpork did not cover running a kingdom and basic financial acumen...

*Equal Rites* Mar 26 2022 The last thing the wizard Drum Billet did, before Death laid a bony hand on his shoulder, was to pass on his staff of power to the eighth son of an eighth son. Unfortunately for his colleagues in the chauvinistic (not to say misogynistic) world of magic, he failed to check on the new-born baby's sex... A third hilarious adventure by the author of *The Colour of Magic* and *The Light Fantastic*.

**Men at Arms** Jun 28 2022 A Young Dwarf's Dream Corporal Carrot has been promoted! He's now in charge of the new recruits guarding Ankh-Morpork, Discworld's greatest city, from Barbarian Tribes, Miscellaneous Marauders, unlicensed Thieves, and such. It's a big job, particularly for an adopted dwarf. But an even bigger job awaits. An ancient document has just revealed that Ankh-Morpork, ruled for decades by Disorganized crime, has a secret sovereign! And his name is Carrott... And so begins the most awesome epic encounter of all time, or at least all afternoon, in which the fate of a city—indeed of the universe itself!—depends on a young man's courage, an ancient sword's magic, and a three-legged poodle's bladder.
