**Looking at the Lights** Aug 26 2019 How did an untrained former college football player end up in the middle of a ring, wrestling during the highest rated segment during the WWE's acclaimed Attitude Era? That's the story behind Looking at the Lights. As a childhood friend of Shane McMahon, Pete Gas was given the opportunity most only pray for. Beginning with appearances to interfere in McMahon's matches, his role blossomed into becoming a full-fledge wrestler and leading the Mean Street Posse to WrestleMania, becoming one of the most fascinating success stories in WWE. From his humble upbringing and friendship with Shane (and the McMahon family as a whole), Gas shares how a 9-to-5 average Joe got the job for the lifetime and made the most out of it. But getting your foot in the door is one thing; staying is a completely different animal. With all eyes on him, knowing his lack of training and meal ticket being the boss's son, Gas knew he had to win over all those doubters: from the fans and announcers to the wrestlers themselves. Knowing he had to prove himself, Gas took beatings, chair shots, and additional training to not only show that he could but that he belonged with such superstars as The Rock, "Stone Cold" Steve Austin, and The Undertaker. Featuring forewords by Edge and JBL, who famously nailed Gas in the head with a steel chair, readers will get an inside look into not only the training and sacrifice these athletes go through, but the behind-the-scenes workings of a day in the WWE.

**Dec 31 2019** Development Hell: The NXT Story, penned by former Power Slam scribe and WhatCulture.com's own Michael Sidgwick, chronicles the history of WWE's NXT brand. NXT has drew universal critical acclaim for its fan service fusion of old-school wrestling philosophies and progressive body of in-ring work - but the road to critical acclaim was arduous. When WWE destroyed its territorial and main event competition, the monolith had also annihilated the talent pool. Replenishing it was an unenviable task made all the more difficult by a blasé and counterproductive attitude and a curiously myopic direction. All of which is documented in a book covering the inauspicious beginnings of the Stamford Farm warehouse and the murmurings of Memphis Power Pro, the halcyon days of Ohio Valley Wrestling, the infamous disaster of Florida Championship Wrestling and the literal lunacy that was Florida Championship Wrestling. The roots of the triumph that was NXT were toxic...

One caring person can change the course of a child's life — Titus O'Neil knows that first-hand. Growing up, he was repeatedly confronted with negativity. By the time he was a teenager, he figured that he was the bad kid everyone said he was — until an adult looked him in the eye and said, "There is no such thing as a bad kid." Unfortunately, many children across North America are labeled "bad." They may have short attention spans, unruly home environments, or learning difficulties. Often, these young people are diagnosed with an emotional or behavioral disorder and placed in remedial classes. They internalize these labels, and the imposed limitations affect their ability to learn, behave, and fit in. There's No Such Thing as a Bad Kid chronicles Titus's turbulent childhood years as he was helped to shed the label and realize his unique greatness, his value and potential. His story will provide hope and inspiration to children in similar circumstances and will help guide well-meaning adults in how to pay forward their own successes to a generation of disadvantaged children.

Adam Copeland On Edge Oct 01 2022 Adam Copeland on Edge is more than an autobiography. It's what the author himself describes as "a masterpiece" that he has long wanted to paint for the reader. It's also a dream—"one of many"—that he decided to realize while at home convalescing from a potential career-ending neck surgery. And it's a journey that explores not only his life but also his innermost thoughts. Despite growing up with less materially than other people in the small town of Orangeville, Ontario, Copeland recalls his formative years fondly. He remembers a loving mother who, while working multiple jobs just to pay the rent, nurtured her son's passion for Spider-Man comics and KISS albums. He also recalls the tragedy that created a void in his life at nine years of age, and how that void was soon filled by the yellow-and-red-clad form of wrestling legend Hulk Hogan, whose intensity and personality "made me feel like I could accomplish anything." With vivid detail and sincerity, Copeland offers his thoughts about not only fulfilling his goals but also building upon them. While revisiting his greatest matches, he shares his actual surprise over winning the Intercontinental title for the first time; the anxiety he felt while splitting up with Christian and establishing a solo career; his eventual determination to "grab the damn ball out of someone's hands and take off" on SmackDown!; the distress of almost losing his long blond hair to Kurt Angle; his joy over enjoying a brief Tag Team title reign with the icon who first inspired him; the simultaneous pain of a broken marriage and two ruptured necks; and the nervous energy of returning to Raw in March 2004 and setting his sights on the WWE World Heavyweight Championship.
