Warren Buffett's Ground Rules Jan 18 2021 Using the letters Warren Buffett wrote to his partners between 1956 and 1970, a veteran financial advisor presents the renowned guru's "ground rules" for investing—guidelines that remain startlingly relevant today. In the fourteen years between his time in New York with value-investing guru Benjamin Graham and his start as chairman of Berkshire Hathaway, Warren Buffett managed Buffett Partnership Limited, his first professional investing partnership. Over the course of that time—a period in which he experienced an unprecedented record of success—Buffett wrote semiannual letters to his small but growing group of partners sharing his thoughts, approaches, and reflections. Compiled for the first time and with Buffett's permission, the letters spotlight his contrarian diversification strategy, his almost religious celebration of compounding interest, preference for conservative rather than conventional decision making, and his goal and tactics for bettering market results by at least 10% annually. Demonstrating Buffett's intellectual rigor, they provide a framework to

the craft of investing that had not existed before: Buffett built upon the quantitative contributions made by his famous teacher, Benjamin Graham, demonstrating how they could be applied and improved. Jeremy Miller reveals how these letters offer us a rare look into Buffett's mind and offer accessible lessons in control and discipline—effective in bull and bear markets alike, and in all types of investing climates—that are the bedrock of success. Warren Buffett's Ground Rules paints a portrait of the sage as a young investor during a time when he developed the long-term value-oriented strategy that helped him build the foundation of his wealth—rules for success every investor needs today.

Buffett Mar 16 2021 Since its hardcover publication in August of 1995, Buffett has appeared on the Wall Street Journal, New York Times, San Francisco Chronicle, Los Angeles Times, Seattle Times, Newsday and Business Week bestseller lists. Starting from scratch, simply by picking stocks and companies for investment, Warren Buffett amassed one of the epochal fortunes of the twentieth century—an astounding net worth of \$10 billion, counting. His awesome investment record has made him a cult figure popularly known for his seeming contradictions: a billionaire who has a modest lifestyle, a phenomenally successful investor who eschews the revolving-door trading of modern Wall Street, a brilliant dealmaker who cultivates a homespun aura. Journalist Roger Lowenstein draws on three years of unprecedented access to Buffett's family, friends, and colleagues to provide the first definitive, inside account of the life and career of this American original. Buffett explains Buffett investment strategy—a long-term philosophy grounded in buying stock in companies that are undervalued on the market and hanging on until their worth invariably surfaces—and shows how it is a reflection of his inner self.

7 Secrets to Investing Like Warren Buffett Feb 20 2021 A clear, simple, and complete guide for beginning investors from bestselling author Mary Buffett and Sean Seah that explains Warren Buffett's techniques of Value Investing and his proven strategies to ensure long-term success. For twelve years, Mary Buffett was part of the Buffett inner circle. During that time, she studied Warren's investment strategies and techniques and observed his habits. Now, in 7 Secrets to Investing Like Warren Buffett, Mary and Sean Seah provide a complete guide for beginning investors who want to understand how to invest like Warren Buffett. Mary and Sean walk readers through the process of assessing and buying stocks step-by-step. Their friendly and direct style and concrete examples make it easy to understand how to avoid common pitfalls and prosper in the stock market. The first section of the book discusses habits to adopt to begin a lifelong journey of wealth building. The second section examines specific stock-picking techniques inspired by Buffett's teacher Benjamin Graham and that are vastly different from the common Wall Street wisdom of trying to time the market. The authors look at timeless principles as well as latest ideas on where to find great investment ideas, and they share the specific financial indicators they look for in a good investment. Finally, Mary and Sean explain how to build and track a portfolio of stocks. From learning how to read financial statements to preparing both personal and professional balance sheets, 7 Secrets to Investing Like Warren Buffett is a must-have companion for every investor. Simple questionnaires, charts, and graphs help illustrate specific strategies. The authors' personal stories provide a clear explanation of the theory behind Value Investing, as well as advice for developing the necessary "soft skills"—habits, mindset, loving what you do, taking care of your mind and body—that have made Warren Buffett and many others so successful.

Warren Buffett Dec 13 2020 "Buffett has generously endowed us all with a sensible and intelligent roadmap for investing." —Robert G Hagstrom "Warren Buffett - The Oracle of Everything. He has been right about the stock market, rotten accounting, CEO greed, and corporate governance. The rest of us are just catching on." —Fortune "Warren Buffett has turned value investing into an art form, piling up the world's second largest individual fortune and persuading millions to mimic the low-tech, buy-and-hold style of stock picking he practices at Berkshire Hathaway." —Time "Buffett and Munger are, without doubt, two of the greatest investors and capital allocators of our time, so investors would be well served to study their thinking carefully." —The Motley Fool "Warren Buffett - A stockpicker, and now, an empire-builder." —BusinessWeek

The Warren Buffett Portfolio Oct 23 2021 The Warren Buffett Way provided the first look into the strategies that the master uses to pick stocks. A New York Times bestseller, it is a valuable and practical primer on the principles behind the remarkable investment run of the famed oracle of Omaha. In this much-awaited companion to that book, author Robert Hagstrom takes the next logical step, revealing how to profitably manage stocks once you select them. THE WARREN BUFFETT PORTFOLIO will help you through the process of building a superior portfolio and managing the stocks going forward. Building a concentrated portfolio is critical for investment success. THE WARREN BUFFETT PORTFOLIO introduces the next wave of investment strategy, called focus investing. A comprehensive investment strategy used with spectacular results by Buffett, focus investing directs investors to select a concentrated group of businesses by examining their management and financial positions and comparing them to their stock prices. A strategy that has historically outperformed the market, focus investing is based

on the principle that a shareholder's return from owning a stock is ultimately determined by the economics of the underlying business. Hagstrom explains in easy-to-understand terms exactly what focus investing is, how it works, and how it can be applied by any investor at any level of experience. He demonstrates how Buffett arranges his stocks in a focus portfolio and reveals why this is as responsible for his incredible returns as the individual stocks he picks. Ultimately, Hagstrom shows how to use this technique to build and manage a portfolio to achieve the best possible results.

The Snowball Jul 28 2019 The personally revealing and complete biography of the man known everywhere as "The Oracle of Omaha"—for fans of the HBO documentary *Becoming Warren Buffett* Here is the book recounting the life and times of one of the most respected men in the world, Warren Buffett. The legendary Omaha investor has never written a memoir, but now he has allowed one writer, Alice Schroeder, unprecedented access to explore directly with him and with those closest to him his work, opinions, struggles, triumphs, follies, and wisdom. Although the media track him constantly, Buffett himself has never told his full life story. His reality is private, especially by celebrity standards. Indeed, while the homespun persona that the public sees is true as far as it goes, it goes only so far. Warren Buffett is an array of paradoxes. He set out to prove that nice guys can finish first. Over the years he treated his investors as partners, acted as their steward, and championed honesty as an investor, CEO, board member, essayist, and speaker. At the same time he became the world's richest man, all from the modest Omaha headquarters of his company Berkshire Hathaway. None of this fits the term "simple." When Alice Schroeder met Warren Buffett she was an insurance industry analyst and a gifted writer known for keen perception and business acumen. Her writings on finance impressed him, and as she came to know him she realized that while much had been written on the subject of his investing style, no one had moved beyond that to explore his larger philosophy, which is bound up in a complex personality and the details of his life. Out of this came his decision to cooperate with her on the book about himself that he would never write. Never before has Buffett spent countless hours responding to a writer's questions, talking, giving complete access to his wife, children, friends, and business associates—opening his files, recalling his childhood. It was an act of courage, as *The Snowball* makes immensely clear. Being human, his own life, like most lives, has been a mix of strengths and frailties. Yet notable though his wealth may be, Buffett's legacy will not be his ranking on the scorecard of wealth; it will be his principles and ideas that have enriched people's lives. This book tells you why Warren Buffett is the most fascinating American success story of our time. Praise for *The Snowball* "Even people who don't care a whit about business will be intrigued by this portrait. . . . Schroeder, a former insurance-industry analyst, spent years interviewing Buffett, and the result is a side of the Oracle of Omaha that has rarely been seen."—*Time* "Will mesmerize anyone interested in who Mr. Buffett is or how he got that way. *The Snowball* tells a fascinating story."—*New York Times* "If the replication of any great achievement first requires knowledge of how it was done, then *The Snowball*, the most detailed glimpse inside Warren Buffett and his world that we likely will ever get, should become a Bible for capitalists."—*Washington Post* "Riveting and encyclopedic."—*Wall Street Journal* "A monumental biography . . . Schroeder got the best access yet of any Buffett biographer. . . . She deals out marvelously funny and poignant stories about Buffett and the conglomerate he runs, Berkshire Hathaway."—*Forbes* "The most authoritative portrait of one of the most important American investors of our time."—*Los Angeles Times*

My Warren Buffett Bible Jan 14 2021 A gold mine of quotations and advice from the billionaire "Oracle of Omaha"—compiled with his blessing. If the legendary Warren Buffett was willing to tell you the secrets that made him the world's most successful investor, would you be interested? If you knew how simple, basic and powerful his wisdom is, you'd probably say "yes!" Beyond the financial benefits, the author shares a side of Buffett that is

incredibly human, optimistic, and loaded with musings that will enrich every aspect of your life. Warren Buffett turned Berkshire Hathaway from a struggling small textile business into the fifth-largest public company in the world, valued at nearly \$350 billion. This book contains nearly three hundred quotes that Robert Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett's wisdom that will guide you to be a more successful and disciplined long-term investor. "For the investor, the business owner, the intelligent man or woman of any employment or occupation, cannot imagine a more useful book. This is a shining, brilliant star of advice and insights from a genuinely great man . . . You cannot afford NOT to buy this book." —Ben Stein, New York Times–bestselling author and economist "A great achievement." —Michael R. Bloomberg, founder and CEO of Bloomberg LP and 108th Mayor of New York City

University of Berkshire Hathaway Aug 28 2019 Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

The Warren Buffett Stock Portfolio May 18 2021 The best-selling authors of Warren Buffett and the Art of Stock Arbitrage present an in-depth look at the stocks owned by Warren Buffett to explain why he has invested in the sharing detailed case studies that reveal specific reasons each business has been declared good for long-term investments. 125,000 first printing.

Warren Buffett and the Art of Stock Arbitrage Sep 09 2020 For the first time ever, discover how Warren Buffett has made unheard-of profits in the world of arbitrage and special investments, and how to be a player in these ventures. Investors around the world recently learned that from 1980 through 2003 Warren Buffett's arbitrage operations produced an astronomical average annualized rate of return of 81.28%. Even more amazing, this incredible rate of return was produced with very low rates of risk. Long considered one of the most powerful and profitable of Buffett's investment operations, but the least understood, these special types of investments have been the edge that made Warren Buffett so phenomenally successful. Warren Buffett and the Art of Stock Arbitrage is the first book to examine Buffett's special brand of arbitrage investing. Buffettologists Mary Buffett and David Clark explore the previously secret domain of Warren Buffett's stock arbitrage investments. They explain how Buffett finds deals, evaluates them, picks the winners from the losers, and when he is willing to use leverage to help boost his performance in these investments to make amazing profits. Basic mathematical equations are included to help readers determine the projected rate of return, evaluate risk, and determine the probability of the deal being a success. Buffett and Clark provide detailed explanations and examples of Warren Buffett's methods for arbitrage, and for investing in tender offers, liquidations, spin-offs, and reorganizations. They take readers step by step from the initial public announcement to tendering shares, explaining how Buffett evaluates risk and maximizes his profit at every step. Warren Buffett and the Art of Stock Arbitrage is a valuable companion to the other books in Buffett and Clark's successful series—Buffettology, The Buffettology Workbook, The New Buffettology, The Tao of Warren Buffett, Warren Buffett and the Interpretation of Financial Statements, and Warren Buffett's Management Secrets.

Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financ
Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett.

The Deals of Warren Buffett Mar 28 2022 It took the world's greatest investor, Warren Buffett, nearly four
decades to make his first \$100m. The Deals of Warren Buffett - Volume 1 charts the series of investments that
made up that journey. In revealing detail, and with a lucid descriptive style, experienced author and investor Glen
Arnold explains Buffett's thinking behind these investment deals and shows how his cumulative returns
compounded his wealth over time. In this formative period, from 1941-78, Buffett developed and honed the
investment philosophy that would lead him to become so successful as his career progressed. But it was not all
plain sailing - Buffett made mistakes along the way - and Arnold shows how Buffett learned through success and
failure how to select companies worth backing. Arnold also includes insightful 'learning points' at the end of each
chapter, which reveal how investors can learn from the craft of Warren Buffett to improve their own investing.
Investments featured in this first volume include: GEICO, American Express, Disney, Berkshire Hathaway, See's
Candies, and The Washington Post. With stories and analysis drawn from decades of investing experience, join
Glen Arnold and delve deeper in The Deals of Warren Buffett! Listen to an interview with Jonathan Davis where
Glen Arnold discussed his new book: For more Money Maker podcasts visit www.money-makers.co

enterprise that is Berkshire Hathaway.

Think, Act, and Invest Like Warren Buffett: The Winning Strategy to Help You Achieve Your Financial and Life
Goals Dec 25 2021 Bedrock investing principles for profiting in today's shaky markets If you wanted to create t
next earth-shattering consumer product, Steve Jobs would be an ideal role model to follow. If you planned to
become a great golfer, you might look to Arnold Palmer or Jack Nicklaus. So, if your goals were to outperform
other investors and achieve your life's financial goals, what should you do? Think, act and invest like the best

investor out there: Warren Buffett. While you can't invest exactly like he does, Think, Act, and Invest Like Warren Buffett provides a solid, sensible investing approach based on Buffett's advice regarding investment strategies. When it comes to investing, Director of Research for the BAM Alliance and CBS News blogger Larry Swedroe has pretty much seen it all—and he's come to the conclusion that simple is better, that adopting basic investing principles always increases an investor's chance of success and that Buffett is the perfect model for such investing. In Think, Act, and Invest Like Warren Buffett, Swedroe provides the foundational knowledge you need to: Develop a financial plan to help you make rational decisions on a consistent basis Determine the level of risk that's right for you and allocate your assets accordingly Create a strong portfolio that will weather any economic storm Manage your portfolio—rebalance periodically to maintain proper risk levels The beauty of the Buffett approach is its profound simplicity: follow the basics, keep your cool, and have a sense of humor. The market volatility of recent years has ushered in armies of economists, forecasters and other so-called experts whose job is to explain how everything works. Somehow, they have managed to muddy the waters even more. The truth is investing is easier than you think—even in today's economy. "Complex problems can have simple solutions," Swedroe writes. Think, Act, and Invest Like Warren Buffett helps you go back to the basics—so you can leap in front of the investing pack. Praise for Think, Act, and Invest Like Warren Buffett: "You could not spend a more profitable hour than reading Larry Swedroe's wise and lucid investment guide." —Burton Malkiel, author, *A Random Walk Down Wall Street* "If you've been wondering why you've had such a hard time investing well, *Playing the Winner's Game* will diagnose your ills and treat them in just ninety short, delightful pages." —William Bernstein, author, *A Splendid Exchange* and *The Investor's Manifesto* "Follow the investment strategy advocated by Larry Swedroe, and free yourself to spend your time on life's treasures—like your family and friends!" —William Reichenstein, professor, Baylor University "As someone who teaches a college investments course, I would not have thought it possible to do what Swedroe has done in such a short concise book." —Edward R. Wolfe, professor of finance, Western Kentucky University "It's amazing. Larry Swedroe managed to pen a magnificent book not only chock full of actionable advice, but one that's fun to read. Get a copy and treat yourself to a better financial future." —Harold Evensky, president, Evensky & Katz "Larry Swedroe is the undisputed expert in helping investors manage portfolios the smart way. His new book, *Playing the Winner's Game*, combines all facets of wealth management in an inspiring and powerful manner." —Bill Schultheis, author, *The New Coffeehouse Investor*

Nov 04 2022 *The Tao of Warren Buffett* A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of *Buffettology* and *The New Buffettology*. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In *The Tao of Warren Buffett*, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nice women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." *The Tao of Warren Buffett* inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

Apr 28 2022 *The Essays of Warren Buffett* As in previous editions of *The Essays of Warren Buffett*, this one retains the architecture and philosophy of the original edition but adds selections from Warren Buffett's most recent annual shareholder letters. All the letters are woven together into a fabric that reads as a complete and coherent narrative of a sound business and investment philosophy. As an aid to all readers, and to enable readers of the previous editions to see what is new in this one, a disposition table at the end of the book shows the various places in this collection where selections from each year's letter appear. Footnotes throughout indicate the year of the annual report from which essays are taken. To avoid interrupting the narrative flow, omissions of text within excerpts are not indicated by ellipses or other punctuation. This new edition is called for not because anything h

changed about the fundamentals of Buffett's sound business and investment philosophy but because articulation of that philosophy is always delivered in the context of contemporary events and business conditions so periodic updating is warranted to maintain its currency

[The Deals of Warren Buffett Volume 3](#) Oct 30 2019 In this third volume of The Deals of Warren Buffett, we trace Warren Buffett's journey as he made Berkshire Hathaway the largest company in America. When we left Buffett at the end of Volume 2, he had reached a fortune of \$1bn. In this enthralling next instalment, we follow Buffett's investment deals over the decade from 1989 to 1998, as Berkshire shares jumped 14-fold from \$4,700 to \$68, and its market cap grew from \$5bn to \$100bn. This was a period of Buffett's career when he was approaching normal retirement age. But far from slowing down, he was just hitting his stride. Buffett was as driven as ever to seek out great companies at good prices. By studying the decision-making that went into his investment deals, and the successful and unsuccessful outcomes, we can learn from Buffett and become better investors ourselves. In this decade, Buffett made investments in the following companies: Wells Fargo, USAir, American Express, The Shoe Group, Helzberg Diamond Shops, RC Willey, FlightSafety International, Dairy Queen, NetJets, and General Re. For each of these deals, investing expert and Buffett historian Glen Arnold dives into unprecedented detail to analyse the investment process and the stories of the individuals involved. Arnold's engaging, lucid style transports the reader to the time and place of the deals, to truly appreciate how Buffett was operating. With stories and analysis drawn from decades of investing experience, join Glen Arnold and delve deeper into The Deals of Warren Buffett!

[The Essays of Warren Buffett](#) Aug 09 2020 In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett's "owner-related business principles" are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. [THE MAKING OF THE GREATEST](#) May 06 2020 Think of growing your money in the modern world, and the first person you think of is Warren Buffett-legendary investor, the oracle of Omaha, stock-market wizard, philanthropist, business magnate, the most frugal mega-billionaire, and a man who could beat the market repeatedly. More important than these superlatives, Buffett has earned unparalleled respect and admiration the world over. How did this man, who was rejected from Harvard Business School, become this surreal financial superman? How could he make astoundingly successful decisions about the stock market, while sitting hundreds of miles away from the bustle of the New York Stock Exchange, without compromising on his ethics ever? What were the qualities that enabled him to reach this pinnacle? Read about the curious legend and his life-his continuing love for junk food, his struggle with public speaking, the paradox of his frugality and the donation of almost all his wealth to charity, his beautiful love story, and an unusual marriage. From selling chewing gum at the age of six, to bailing out airlines and national banks from financial distress, Warren Buffett is an extraordinary legend who is going to inspire millions of people for centuries, for his is the story not only of hard work and self-belief, but also of a man who never compromised on his principles, yet built an unbelievable fortune not just for himself, but for many others too.

Warren Buffett Dec 01 2019 Warren Buffett is known as the billionaire investment expert of the century and everyone would love to know the secret of his success. In his own words, Buffett is just a regular guy who likes fast food, honest work, and people he can trust. Throw in incredible instincts, a genius for numbers, meticulous research, and an almost sure-fire investment philosophy, and you begin to understand how he's become a legend in his own time. With just a few thousands of dollars from relatives and friends, and by taking calculated risks in small companies and staying with them, he managed, almost single-handedly, to turn Salomon Brothers around. Giants like Disney, American Express, McDonald's, Gillette, and Coca-Cola have all been affected by Buffett's magic touch, and he owns a chunk of all of them. By thirty-one, Buffett had already made himself a millionaire, and he's worked his way steadily toward the top of the Forbes list. Here is a fascinating portrait of Warren Buffett known for his investigating genius, his sense of humor, and his mean turn of a phrase. It's an amazing story of a man who carved his own path through American business by doing his homework, backing companies he believed in, and growing rich on their success—a story that will show you that opportunity abounds for anyone willing to go for it.

Warren Buffett Oct 11 2020 A collection of hundreds of thoughtful and inspiring quotations from “the folksy god of American capitalism” (Vanity Fair). For more than half a century, Warren Buffett, the chairman and CEO of Berkshire Hathaway, has been one of the world's most respected businessmen, not just because of his savvy investments and unmatched record of returns, but also because of his humility, candor, and refreshing perspective on wealth. Despite this tremendous success, the Oracle of Omaha doesn't feel entitled to the \$89 billion net worth his abilities have earned him. Instead, he likes to say that he was born at the right place and time and as an active philanthropist, he has already pledged to give most of his money to charity. This modesty in the face of proven talent is part of what makes Buffett as popular on Main Street as he is on Wall Street—he is one of the world's wealthiest men and yet he is still personable and relatable. A comprehensive guidebook to the inner workings of this business icon, *Warren Buffett: In His Own Words* provides insight into his thoughts on investing on Wall Street, business, politics, taxes, life lessons, and more. This collection of quotations draws from decades of interviews, editorials, and annual shareholder reports, amassing a comprehensive outline of how Buffett believes a good business is run and a good life is led. It's advice that Buffett has successfully adhered to throughout his 88 years, and it's now available in *Warren Buffett: In His Own Words*.

The Warren Buffett CEO Aug 01 2022 "Everyone knows Warren is the greatest investor of our time. . . . This book for the first time captures his genius as a manager." —Jack Welch The first book to reveal the investment and management strategies of the Berkshire Hathaway all-star management team. Much has been written about Warren Buffett and his investment philosophy; little has been made public about the inside management of Berkshire Hathaway. With a market cap exceeding 100 billion, Berkshire Hathaway has a market value surpassing many icons of American business such as Dell, AT&T, Disney, Ford, Gillette, American Express, and GM. Drawing on his personal experiences as well as those of Berkshire's chief executives, officers, and directors interviewed for this book, Berkshire insider Robert P. Miles provides a unique look at the Berkshire Hathaway culture and its management principles.

Inside the Investments of Warren Buffett Nov 23 2021 Since the 1950s, Warren Buffett and his partners have backed some of the twentieth century's most profitable, trendsetting companies. But how did they know they were making the right investments? What did Buffett and his partners look for in an up-and-coming company, and how can others replicate their approach? A gift to Buffett followers who have long sought a pattern to the investor's success, *Inside the Investments of Warren Buffett* presents the most detailed analysis to date of Buffett's long-term investment portfolio. Yefei Lu, an experienced investor, starts with Buffett's interest in the Sanborn Map Company in 1958 and tracks nineteen more of his major investments in companies like See's Candies, the Washington Post, GEICO, Coca-Cola, US Air, Wells Fargo, and IBM. Accessing partnership letters, company documents,

annual reports, third-party references, and other original sources, Lu pinpoints what is unique about Buffett's timing, instinct, use of outside knowledge, and postinvestment actions, and he identifies what could work well for all investors in companies big and small, domestic and global. His substantial chronology accounts for broader world events and fluctuations in the U.S. stock market, suggesting Buffett's most important trait may be the breadth of his expertise.
