[The Carolina Heirlooms Collection](#) [The Prayer Box / The Story Keeper / The Sea Keeper's Daughter](#) 2021 From the #1 New York Times author of Before We Were Yours! This collection bundles 3 of Lisa Wingate's contemporary/historical Carolina Heirlooms series together in one e-book, for a great value! The Prayer Book When Lola Anne Poole, an old-timer on Hatteras Island, passes away in her bed at ninety-one, the struggling young man her rental cottage, Tandi Jo Reese, finds herself charged with the task of cleaning out Lola's rambling Victorian house. Running from a messy, dangerous past, Tandi never expects to find more than a temporary hiding place in Lola's walls, but everything changes with the discovery of eighty-one carefully decorated prayer boxes, one for each year, spanning from Lola's youth to her last days. Hidden in the boxes is the story of a lifetime, written on a piece of paper—the hopes and wishes, fears and thoughts of an unassuming but complex woman passing through the seasons of an extraordinary, unsung life filled with journeys of faith, observations on love, and one final lesson: change everything for Tandi. The Story Keeper (2015 Christy Award winner! 2015 Carol award winner!) When successful New York editor Jen Gibbs discovers a decaying slush-pile manuscript on her desk, she has no idea that it's the story of Sarra, a young mixed-race woman trapped in Appalachia at the turn of the twentieth century, will both take her on a journey and change her forever. Happy with her life in the city, and at the top of her career with a new House Publishing, Jen has left her Appalachian past and twisted family ties far behind. But the search for the rest of the manuscript, and Jen's suspicions about the identity of its unnamed author, will draw her into a mysterious world back to the heart of the Blue Ridge Mountains. . . . and quite possibly through the doors she thought she had closed forever. The Sea Keeper's Daughters (2016 Christy Award Winner!) From modern-day Roanoke Island to the backcountry of North Carolina's Blue Ridge Mountains and Roosevelt's WPA folklore writers, past and present intertwine to create an unexpected destiny. Restaurant owner Whitney Monroe is desperate to save her business from a hostile takeover. The inheritance of a decaying Gilded Age hotel on North Carolina's Outer Banks may provide just the ray of hope she needs. But things at the Excelsior are more complicated than they seem. Whitney's estranged stepfather is entrenched on the third floor, and the downstairs tenants are determined to save the historic building. Searching through years of stored family heirlooms may be Whitney's only hope of quick cash, but will the discovery of an old necklace and a Depression-era love story change everything?

[The Prayer Of Faith](#) Feb 24 2022 In my years in the Prayer Ministry, I have come to discover that there are many diverse views of prayer, apprehensions, misunderstanding, misuse of prayer for financial gain through the exploitation of seekers of help. Thus, in many instances, the object of prayer, praying to God, has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries. These men promote prayer, by manipulating the followers' minds, as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers. Their goal, however, is to make money on the backs of their followers. They manipulate to believe in the so-called miracles they perform for them. The power and true benefits are now shifting to false miracle-working prayers. Of course there is a place for and power in intercessory prayer, no one is made to believe that there are some special people who alone who can, and must pray to God to experience his blessing. The single most important requirement of prayer is faith in God. When personal faith in God is absent, and the experience of the power and blessings from prayer are lost. Faith, however, may not necessarily translate into victory in every circumstance. what acts of faith do guarantee is that we will please God and eventually be blessed by him. The purpose of this book, The Prayer of Faith (Praying with Hope), is to help everyone who prays to understand that prayer is first, building a relationship with God, through Jesus and not just to receive or see miracle. It explains that anyone who exercised faith in Jesus can literally move the "mountains" in their lives, if they prayed and prayed the right way. Faith treats things hoped for as a reality, with a conviction that what is being asked for will be given. Faith is, therefore, mandatory for those who approach God. Faith is never easy, it wasn't meant to be so. But the more convinced we are of the reality of an all-good, all-loving, all-powerful God, the more our trust in Him grows and the least we will be overwhelmed by doubts and temptations. How strong is your faith? As thou has believed, so be it done unto thee. Discover the secret, the power and joy of praying by faith to move your mountains and receive your answers.

The Prayer Complement Sep 02 2022 THE PRAYER COMPLEMENT Why will someone pray and will not receive an answer? Why will someone travail at a prayer meeting for hours and heaven will 'somehow' care less? If an earthly father has something and refuses to give it to his son, then there must be an underlying reason for the fathers' action. Equally there are fundamental reasons why God will not give answers to prayers. It is high time children understand these reasons so as to plug into and inherit the plan of God for their life. This book will come handy to answer questions like: 'I prayed but why am I not receiving answer?' How long you have been a Christian does not solve this issue? Sincerely, heaven is not concerned about you knowing the whole of Psalm as a prayer tool! This book will equally lead you to know: - What you ought to know and steps to take. - The Whole Armour of God. - Have you received the Word of God - Holiness without prayer can be catastrophic. - What completes a believers' prayer. Olayiwola Aturu is a pastor in Mountain of Fire and Miracles Ministries, Ireland. He has passion to preach the word of God undiluted. On the Boundaries of Talmudic Prayer Apr 04 2020 The English term "prayer" is usually understood as communication with God or the gods. Scholars of Jewish ritual until now have accepted this characterization and applied it to Jewish tefillah. Does rabbinic prayer indeed necessarily entail second-person address to God, as many scholars of rabbinic prayer to this point have presumed? In this work, Yehuda Septimus investigates a boundary phenomenon in talmudic prayer - ritual speech with addressees other than God. The book represents a fresh look at the possible range of performances undertaken by talmudic ritual prayer. Moreover, it places that range of performances in its historical context of the rapid emergence of prayer as the centerpiece of Jewish worship in the first half of the first millennium CE.
